## EURO PROFILE CYLINDER PROTECTOR

presented by

Shown here in Polished Chrome

### SECURE

- Frustrate attacks on your cylinder by shielding it with a Defender 304 cylinder protector.
- The external surround is designed to protect against forcing.
- Tempered steel components provide resistance against drilling and cutting.
- The keyway is protected by a revolving hardened disc.

### GOOD LOOKS

- No visible screws on the outside or inside.
- Available in a choice of colours to match your door handles.

### ADAPTABLE

- Compatible with most DIN Euro profile cylinder operated locks that provide standard 38 mm fixing centres for escutcheons.
- Can be adapted to suit different door thicknesses from 35mm to 77mm.
